Testing Metrics for Alignment - 3 foot - 6 foot Putts

Date: _____

	Rating		Posture - Position		
	1 to 7	Hole Size	Number of Putts	Made putts	ratio %
1. Eye Awareness					
Remarks: Example - See Where you want the putter to go.					
2. Ball Position with 4 degree of loft					
Remarks: Example - ball travels level to ground and starts to roll					
3. Continue hands down into the putt-line					
Remarks: Example - instant response to push and pull putts					
4. Putter face alignment					
Remarks: Example - instant response to fast and slow putts					
5. Roll Ball keeping the trip on the ball vertical					
Remarks: Example - Keep the line on ball over the putt-line					
6. Square up putter face					
Remarks: Example - Stronger grip control					
7. Putting gates					
Remarks: Example - Starting the ball through the gates
