

Putt Line Zone Work Sheet

www.provoto.com
infor@provoto.com

- Each board setting has 3 hole sizes, Standard 4 1/4", 3" and 2". Putt line width shrinks like a target at the range.
- Set the board configuration for each set; Straight putts, Right to Left putts and Left to Right putts.
- Rate each line by priority of improvement needed with your instructor: 1 to 10 (1- least to 10 most)
- Select the line item for practicing swing thoughts. (work with your instructor for the areas that need attention)
- Setting up practice routines with different holes size and breaks will require different strokes and keeps it intersing
- Keep your practice sheet and review them with your instructor about your progress

Number of holes for the sheet ()												
Hole & board config. (Level, R-L, L-R)	ONE			TWO			THREE			TOTAL
