Testing Metrics for Alignment - 3 foot - 6 foot Putts

Date: _____

	Rating		Posture - Position		
	1 to 7	Hole Size	Number of Putts	Made putts	ratio %
1. Eye Awareness	2	3"	15	10	67%
Remarks: Example - See Where you want the putter to go.					
2. Ball Position with 4 degree of loft	6	4"	20	15	75%
Remarks: Example - ball travels level to ground and starts to roll					
3. Continue hands down into the putt-line	5	3"	20	16	80%
Remarks: Example - instant response to push and pull putts					
4. Putter face alignment	7	3"	20	17	85%
Remarks: Example - instant response to fast and slow putts					
5. Roll Ball keeping the trip on the ball vertical	4	4"	15	12	80%
Remarks: Example - Keep the line on ball over the putt-line					
6. Square up putter face	3	4"	15	13	87%
Remarks: Example - Stronger grip control					
7. Putting gates	1	3"	15	10	67%
Remarks: Example - Starting the ball through the gates
